About our Program

Monmouth Falcons New Jersey Shore Pop Warner originated in 1990, and has been home to athletes from Eatontown, Tinton Falls, as well as other surrounding towns. Over the last 30+ years our Football and Cheer program has had numerous Conference, State, Regional and National championships throughout our program and we hope to continue achieving these championships while continuing to be a positive, disciplined and respected program throughout the sport of Youth Football and Cheer.

Although our Pop Warner Program comes to an end we embark on a new beginning, a program which competitively competed with the New Jersey Shore Pop Warner now hopes to become a part of a new league and build a bright future as a Youth Football and Cheer Club. Looking forward our program will bring the same tenacity and drive that it has brought to the Jersey Shore since 1990, but at a higher competitive level with added year round programs for our participants.

As you may know, closing the door on one program and starting a new one takes major funds along with community support, The Monmouth Falcons Youth Football and Cheer Club is inviting you to become a part of building our athletes future in Youth Football and Cheer and giving each athlete an equal chance at competing at the highest level regardless of their financial situation.

Our Mission with your donated funds

With your support through sponsorship we hope to make the transition from leagues as seamless as possible, as well as grow our program. In order to do this our program will need facility maintenance and upgrades, new equipment and uniforms, travel expenses for regional and national tournaments and resources for athletes to attend and hold training clinics to compete with other programs in the area.

Our goal as a non-profit 501(3)(c) program is to be able to give each one of these athletes a positive athletic experience and to not only be a part of our athletic program but become a part of our Falcon Family no matter what their financial situation may be. All Sponsors will receive a tax letter with their donation nomination and our non-profit 501(3)(c) tax ID number for tax purposes
